Note by the Secretary-General

In its decision 2009/250 of 30 July 2009, the Economic and Social Council, taking note of the note by the Secretary-General (E/2009/78) on the proposal of the Government of the Plurinational State of Bolivia to amend article 49, paragraphs 1 (c) and 2 (e), of the Single Convention on Narcotic Drugs of 1961 as amended by the 1972 Protocol,¹ decided, in accordance with article 47, paragraph 1, of the Convention as amended, to initiate the procedures established in paragraph 1 (b) of that article, which states that the parties shall be asked whether they accept the proposed amendment and also asked to submit to the Economic and Social Council any comments on the proposal.

Annex

Note verbale dated 28 January 2011 from the Permanent Mission of Estonia to the United Nations addressed to the Secretary-General

The Permanent Mission of Estonia to the United Nations presents its compliments to the Secretary-General and has the honour to refer to the proposal by the Government of the Plurinational State of Bolivia, communicated in Depositary Notification C.N.194.2009.TREATIES-2 of 6 April 2009 to amend article 49, paragraphs 1 (c) and 2 (e), of the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol amending the Single Convention on Narcotic Drugs, 1961.

The Government of Estonia is of the opinion that the Bolivian proposal would create a political precedent and send a negative signal to the universal actions undertaken in order to fight drug use and drug trafficking. We believe that it is important to have a dialogue with the Bolivian Government over their concern but it needs to be dealt with outside the framework of the 1961 Convention.

In the light of these considerations, the Government of Estonia hereby informs the Secretary-General, in accordance with article 47, paragraph 1 (b), of the Single Convention, that it does not accept the proposal of amendments submitted by Bolivia.

Propuesta de modificación del artículo 49, incisos 1 c) y 2 e), presentada por el Estado Plurinacional de Bolivia

Nota del Secretario General

En su decisión 2009/250, de 30 de julio de 2009, el Consejo Económico y Social, tomando nota de la nota del Secretario General (E/2009/78) sobre la propuesta del Gobierno del Estado Plurinacional de Bolivia de modificar el artículo 49, incisos 1 c) y 2 e), de la Convención Única sobre Estupefacientes de 1961, enmendada por el Protocolo de 1972¹, decidió, de conformidad con lo dispuesto en el artículo 47, inciso 1, de la Convención en su forma enmendada, iniciar los procedimientos establecidos en el inciso 1 b) de dicho artículo, en que se dispone que se pregunte a las partes si aceptan la modificación propuesta y se les pida que presenten al Consejo comentarios acerca de la misma.

Anexo

Note verbal de fecha 28 de enero de 2011 dirigida al Secretario General por la Misión Permanente de Estonia ante las Naciones Unidas

La Misión Permanente de Estonia ante las Naciones Unidas saluda atentamente al Secretario General y tiene el honor de referirse a la propuesta del Gobierno del Estado Plurinacional de Bolivia de modificar el artículo 49, incisos 1 c) y 2 e), de la Convención Única de 1961 sobre Estupefacientes, enmendada por el Protocolo de 1972 de Modificación de la Convención Única de 1961 sobre Estupefacientes, propuesta comunicada en la notificación del depositario C.N.194.2009.TREATIES-2 de 6 de abril de 2009.

En opinión del Gobierno de Estonia, la propuesta del Estado Plurinacional de Bolivia sentaría un precedente político y enviaría una señal negativa para las medidas universales de lucha contra el consumo y el tráfico de estupefacientes que se han adoptado. Consideramos que es importante sostener un diálogo con el Gobierno boliviano en torno a la cuestión que suscita su preocupación, pero esta deberá tratarse fuera del marco de la Convención de 1961.

A la luz de estas observaciones, el Gobierno de Estonia comunica por la presente al Secretario General que, de conformidad con lo dispuesto en el artículo 47, inciso 1 b), de la Convención Única, no acepta la propuesta de modificación presentada por el Estado Plurinacional de Bolivia.
